**CITY OF ALBANY
KEY SELECTION CRITERIA
MAJOR PROJECTS OFFICER**

APPLY ONLINE FOR THIS VACANCY AT www.albany.wa.gov.au

PLEASE ONLY ADDRESS THE SELECTION CRITERIA BELOW, NOT THE CRITERIA AS LISTED IN THE POSITION DESCRIPTION

Within your application, please tell us about your previous experience in a similar role addressing the selection criteria below (refer to point 2 under “Completing your Application” on the ‘*Advice for the Prospective Applicants*’ page of this information pack.)

KEY SELECTION CRITERIA

- Proven advanced project management skills with the ability to effectively plan, coordinate, and manage all phases of complex infrastructure and open space projects—including scope, time, cost, quality, and risk—to deliver successful outcomes aligned with strategic objectives, and incorporate lessons learned into future project delivery.
- Highly developed communication and interpersonal skills, with demonstrated ability to engage and collaborate with a diverse range of stakeholders including government agencies, consultants, contractors, and community members,
- Strong analytical and technical capabilities, including the ability to assess, interpret, and coordinate complex design documentation, conduct feasibility assessments, and produce clear and concise reports, briefings, and presentation materials.
- Demonstrated ability to manage procurement, financial planning, and contract administration processes in compliance with local government legislation and standards, with a track record of successfully securing and acquitting funding and managing budgets across multiple projects.
- Tertiary qualification in project management or a related discipline, or equivalent extensive experience, along with a demonstrated record of delivering projects involving coastal, environmental, or land-based infrastructure within a local government or similar setting.
